EDUCATION

- 2005 University of Kansas, Lawrence, KS
Ph.D. in Cognitive Psychology
Formal Concentration in Statistics
18 hours in Quantitative Methods in Psychology
Doctoral Thesis: *The Influence of Conflicting Perspectives on Children's Story Recall.*
(Dr. Andrea F. Greenhoot, advisor)
- 2000 University of Kansas, Lawrence, KS
M.A. Indigenous Nations Studies
Master's Thesis: *The Intergenerational Impact of Native American Parental Beliefs: An Exploratory Analysis.*
(Dr. Anne Calhoun and Dr. Marion O'Brien, advisors)
- 1992 University of Notre Dame, South Bend, IN
B.A. Psychology
Formal Second Major in Japanese

PROFESSIONAL EXPERIENCE

Arizona State University, Tempe, Arizona

- 2013 – present Assistant Professor, T. Denny Sanford School of Social and Family Dynamics
- 2014 – present Affiliated Research Faculty, Southwest Interdisciplinary Research Center
- 2014 – present Affiliated Faculty, American Indian Studies

University of Colorado, Denver

- 2012 - present Affiliated Research Faculty, Ben Nighthorse Campbell American Indian Alaska Native Mental Health Research Center

University of Utah, Salt Lake City, Utah

2007 – 2013 Assistant Professor, Department of Psychology

University of California, Santa Cruz

2005 – 2007 Postdoctoral Fellow, Department of Psychology

University of Kansas, Lawrence, Kansas

1999 – 2002 Graduate Research Assistant, NICHD Study of Early Child Care and Youth Development, Phase III (ages 9 to 11 years) home team coordinator and team research assistant in charge of coordinating and collecting longitudinal data on child care and child development.
Dr. Marion O'Brien and Dr. Carolyn Roy, Principal Investigators

2002 Graduate Research Assistant, Bioscience Initiative for Maximizing Student Diversity

PUBLICATIONS

Note: In my field, the order of authorship is determined by the contribution to the manuscript. For multiple-author publications, my contribution to each paper is represented as a percentage following the citation. Each impact factor (IF) was calculated using the ISI Web of Knowledge, and the ranking was taken from the journal website, when available.

SPONSORED PROJECTS

Funded

2012-2017 William T. Grant Foundation
Scholars Fellowship

(An examination of cultural and cognitive processes facilitating positive youth development in American Indian communities.)

Grant Number: 180970

Total Amount: \$350,000

2012-2014 Native Children's Research Exchange Scholar
Scholars Fellowship Sponsored by NIDA
Total Amount: \$18,000

2007 - 2008 Spencer Foundation
Cultural Aspects of Children's Learning and Memory
Amount subawarded to the University of Utah
Award Number: 200700185
Total Amount: \$35,000

2011- 2012 The University of Utah College of Health
Research and Creative Grant Competition
Piloting a Self-Regulation (SR) Mentoring Program for Youth at Summer Camp
Co-investigator with P.I. Robert Sibthorp
Total Amount: \$5,000

PROFESSIONAL PRESENTATIONS

Refereed Conference Presentations

28. Tsethlikai, M., Ramos, M. & Propoggio, B. (2017, April). *Stressful life experiences among urban American Indian children: Risk and Protective factors*. Poster presentation presented at the Society for Research in Child Development. Austin, TX.
27. Korous, K., Tsethlikai, M., & Kelton, R. (2017, April). *Executive function and explanation: How do children integrate a friend's explanation of past transgressions into an existing memory?* Poster presentation presented at the Society for Research in Child Development. Austin, TX.
26. Tsethlikai, M. (2015, October). Active participation in family and cultural rituals promotes positive development in middle childhood. In Rebekah Richert (chair), *Ritual, religious, and cultural practices shape cognitive development*. Paper symposium to be presented at the Cognitive Development Society Conference, Columbus, Ohio.
25. Kulis, S., Tsethlikai, M., & Baker, T., (2014, April). Finding a home in the city: The spiritual and religious group affiliations of urban American Indian youth. Poster

presentation at the Southwest Interdisciplinary Research Center Conference. Phoenix, Arizona.

24. O'Connor, C., & Tsethlikai, M. (2013, April). *A preliminary examination of the types of activities that relate to the development of executive function, social knowledge complexity and well-being in children*. Poster presentation presented at the Society for Research in Child Development. Seattle, Washington.
23. Correa-Chavez, M., Tsethlikai, M., & Rogoff, B. (2013, April). Rural and Urban American Indian children's attention to other's activities. In Douglas Sperry (chair), *Alternative Pathways to Everyday Learning*. Paper symposium presented at the Society for Research in Child Development. Seattle, Washington.
22. Tsethlikai, M., O'Connor, C., Erickson, A. & Leighton, D., (2012, July). *Social cognition, constructive memory processes, and well-being in middle childhood*. Poster presentation at the International Society for the Study of Behavioural Development Biennial Meeting. Edmonton, Alberta, Canada.
21. Tsethlikai, M., McBeth, A., Leighton, D., Erickson, A., & O'Connor, C., (2012, July). *An assessment of relations among measurements of executive function and associations with positive developmental outcomes in middle childhood*. Poster presentation at the International Society for the Study of Behavioural Development Biennial Meeting. Edmonton, Alberta, Canada.
20. Tsethlikai, M., Correa-Chavez, M., & Rogoff, B. (2012). Cultural engagement and American Indian children's attention to surrounding events. In Amy Roberts (Chair), *A model of learning based on Indigenous and Mexican practices*. Presented at the Society for Research in Child Development Themed Meeting: Positive Development of Minority Children. Tampa, Florida.
19. O'Connor, C., & Tsethlikai, M. (2011, August). *Exploring possible interrelations among social knowledge complexity, social competence, and childhood depression*. Poster presented at the meetings of the American Psychological Association. Washington, D.C.
18. Sarche, M., Whitesell, N. R., Spicer, P.G., & Tsethlikai, M. (2011, March) *Children's development within the context of tribal Head Start programs: A culturally informed analysis*. Poster symposium presented at the Society for Research in Child Development. Montreal, Quebec, Canada.
17. Tsethlikai, M. (2010, October). (Symposium Chair). *From mice to mentors to media: Technology and diversity in psychology*. Presented at the meetings of the Society for the Advancement of Chicanos and Native Americans in Science. Anaheim, California.

16. Tsethlikai, M. (2010). An exploratory analysis of American Indian children's cultural engagement, fluid cognitive skills, and verbal IQ scores. In M. Tsethlikai (Chair). *Indicators of resilience and risk in Indigenous youth in Canada and the United States*. Presented at the inaugural conference of the Society for the Psychological Study of Ethnic Minority Issues. Ann Arbor, Michigan.
15. Tsethlikai, M. (2010). *Building and maintaining good working relationships in Indigenous communities to promote optimal mental health and positive youth development*. Panel session chaired at the inaugural conference of the Society for the Psychological Study of Ethnic Minority Issues. Ann Arbor, Michigan.
14. Tsethlikai, M. (2010). *The influence of a friend's perspective on American Indian children's recall of previously misconstrued events*. Poster presented at the inaugural conference of the Society for the Psychological Study of Ethnic Minority Issues. Ann Arbor, Michigan.
13. Tsethlikai, M. (2009). Cultural, cognitive, and social aspects of American Indian children's memory of events involving conflict with peers. In M. Tsethlikai (Chair). *Improving our understanding of the human condition through research on cognitive functioning across the lifespan*. Presented at the meetings of the Society for the Advancement of Chicanos and Native Americans in Science. Dallas, Texas.
12. Tsethlikai, M. (2009). Exploring links between Tohono O'odham children's cultural participation, basic cognitive skills, social skills, and verbal IQ. In N. Whitesell (Chair). *Development in Native cultures: Showcase of research by members of SRCD's Native Children's Research Exchange*. Poster symposium presented at the Society for Research in Child Development. Denver, Colorado.
11. Tsethlikai, M. (2009). American Indian (Tohono O'odham) children's recall of a folk-tale told to them or another. In B. Rogoff (Chair). *Cultural patterns of attention, monitoring, and learning*. Poster symposium presented at the Society for Research in Child Development. Denver, Colorado.
10. Tsethlikai, M. (2008). Exploring the role of basic cognitive skills in the development of social competence and well-being in middle childhood. In M. Sesma (Chair). *Mental health research: Explorations of the brain and mind*. Presented at the meetings of the Society for the Advancement of Chicanos and Native Americans in Science. Salt Lake City, Utah.
9. Tsethlikai, M. (2008). Exploring links between cultural participation, executive function, social skills, and verbal IQ on the Tohono O'odham reservation. In M. Tsethlikai (Chair). *Empowering American Indian and Chicano students through research on cultural*

- aspects of learning*. Presented at the meetings of the Society for the Advancement of Chicanos and Native Americans in Science. Salt Lake City, Utah.
8. Tsethlikai, M., Guthrie-Fulbright, Y., & Loera, S. (2007). *Social perspective coordination ability and children's recall of mutual conflict between friends*. Poster presented at the meetings of the Society for Research in Child Development. Boston, Massachusetts.
 7. Tsethlikai, M. (2005). *The influence of another's perspective on children's impressions and recall: Variations by ethnicity*. Paper presented at the meetings of the Society for the Advancement of Chicanos and Native Americans in Science. Denver, Colorado.
 6. Greenhoot, A., Tsethlikai, M., Miller, A., Becker, K., & Johnson, R. (2005). *Childhood autobiographical memories in adolescents with and without abuse histories: Links to well-being*. Poster presented at the meetings of Society for Research in Child Development. Atlanta, Georgia.
 5. Greenhoot, A., Miller, A., Tsethlikai, M., & Becker, K. (2005). *Physiological and verbal indicators of adolescents' memories for family violence*. Poster presented at the meetings of the Society for Research in Child Development. Atlanta, Georgia.
 4. Miller, A., Tsethlikai, M., & Greenhoot, A. (2004). *Memories for childhood events eight years later: The impact of trauma*. Poster presented at the meetings of the Western Psychological Association. Phoenix, Arizona.
 3. Tsethlikai, M., Peyton, V., & Hughes, K. (2003). *A comparative analysis of social information processing patterns in Native American and Caucasian children*. Poster presented at the meetings of the Society for Research in Child Development. Tampa, Florida.
 2. Tsethlikai, M., O'Brien, M., Peyton, V., & Hughes, K. (2002) *Breaking stereotypes: Native American parental beliefs and child social development*. Poster presented at the meetings of the American Psychological Association. Chicago, Illinois.
 1. Tsethlikai, M., Greenhoot, A., & Wagoner, B. (2002). *The relations between children's past experiences, social knowledge, and memories for social situations*. Paper presented at the Conference on Human Development. Charlotte, North Carolina.

Invited Conference Presentations

18. Tsethlikai, M. (2016, November). Reclaiming traditional cultural and spiritual activities as evidence-informed practice supporting well-being in American Indian children and youth. Inuit Circumpolar Council, Alaskan Inuit Education Alignment Summit. Anchorage, Alaska.

17. Tsethlikai, M. (2016, June). The light switch in your DNA: How trauma can affect your genetic expression. Invited speaker U.S. DHHS Administration for Children and Families, Administration for Native Americans Grantee Conference, Marksville, Louisiana.
16. Tsethlikai, M. (2015, October). Participation in cultural and family activities promotes positive development in American Indian Children. Invited speaker for the Youth-Nex Conference, University of Virginia, Charlottesville, Virginia
15. Tsethlikai, M. (2015, September). Invited discussant for Advances in development science that inform prevention and promotion in tribal communities: A focus on self-regulation in context, plenary speakers Clancy Blair and Desiree Murray. Native Children's Research Exchange Conference, Denver, Colorado.
14. Tsethlikai, M. (2015, September). Active participation in family and cultural activities promotes positive development in middle childhood. Presentation given at the Native Children's Research Exchange Conference, Denver, Colorado.
13. Tsethlikai, M. (2015, June). Generating powerful learning across developmental areas and Milestones. Invited speaker for the Sacred Little Ones Native Early Childhood Education Symposium. Albuquerque, New Mexico.
12. Tsethlikai, M. (2014, November). Activities, culture, and cognitive development in middle childhood. Invited speaker for the 2014 Annual Biomedical Research Conference for Minority Students. San Antonio, Texas.
11. Tsethlikai, M. (2014, September). From theory to practice: A year in the life of an NCRE scholar. Presentation given at the Native Children's Research Exchange Conference. Denver, Colorado.
10. Tsethlikai, M. (2014, August). Culture, context, and cognitive development. Invited speaker for the White Earth Nation 14th Annual Communities Collaborative Brain Development Conference. Mahnomen, Minnesota.
9. Tsethlikai, M. (2014, June). An examination of cultural and cognitive processes facilitating positive development in American Indian communities. Presentation at the William T Grant Scholars Meeting. Albuquerque, New Mexico.
8. Tsethlikai, M. (2014, April). Setting the stage: An overview of human development research relevant to the Administration for Children and Families programs serving American Indian and Alaska Native children, families, and communities. Presentation made to open an ACF meeting of federal policy makers and researchers. Washington, D.C.

7. Tsethlikai, M. (2013, September). *Active engagement in traditional cultural practices and positive development in American Indian children*. Presentation given at the Native Children's Research Exchange conference. Denver, Colorado.
6. Tsethlikai, M. (2010, October). *Insights to success: Real life adventures of SACNAS scientists* - Invited speaker. Presented at the meetings of the Society for the Advancement of Chicanos and Native Americans in Science. Anaheim, California.
5. Tsethlikai, M. (2008). Cultural aspects of Tohono O'odham children's cognitive development and learning. In M. Tsethlikai (Chair). *Indigenous ways of knowing and creating spaces for (be)longing*. Mujeres Activas en Letras y Cambio Social Summer Institute, Salt Lake City, Utah.
4. Tsethlikai, M. (2006). *The influence of another perspective on children's recall of previously misconstrued events*. Paper presented at The National Academies Conference of Ford Fellows. Washington, D. C.
3. Tsethlikai, M. (2002). *Legitimizing Indigenous knowledge with community based research*. Paper presented at the Native American Professors Conference. Phoenix, AZ.
2. Tsethlikai, M. (2001). *Juvenile delinquency and gangs on reservations: An Indigenous perspective*. Paper presented at the Modern Native America Conference. Flagstaff, Arizona.
1. Tsethlikai, M. (2001). *Bridging transitions in academia*. Talk presented at the meetings of the Society for the Advancement of Chicanos and Native Americans in Science. Phoenix, Arizona.

Workshops and Other Presentations

15. *Culture, Context, and Cognitive Development*. (February, 2015). ASU Counseling and Counseling Psychology Brown Bag Talks.
14. *Promoting well-being in American Indian communities by exploring how culture and context impact cognitive development*. (February, 2013). Southwest Interdisciplinary Research Center – Health Disparities Lecture Series
13. *Studying constructive memory processes in children: From theory to design, and preliminary results from our latest study*. (September, 2012). University of Utah Developmental and Clinical Child Brown Bag

12. *Culture, context, and cognitive development in American Indian children today.* (April, 2011). University of Utah, American Indian Resource Center Lunch with Scholars.
11. *Exploring the development of cognitive mechanisms of self-regulation in American Indian children.* (November, 2010). University of Utah Developmental and Clinical Child Brown Bag
10. *Executive functions as cognitive mechanisms of self-regulation: Exploring measurement issues and associations with well-being in middle childhood.* (September, 2010). University of Utah Department of Psychology Symposium.
9. *Social knowledge complexity and depression in middle childhood.* (December, 2009) University of Utah Developmental and Clinical Child Brown Bag
8. *Cultural, cognitive, and social aspects of American Indian children's recall of conflict.* (April, 2009). University of Utah Developmental and Clinical Child Brown Bag
7. *Cultural aspects of Tohono O'odham children's cognitive and social development.* (February, 2009). University of Utah Educational Psychology Seminar
6. *Economic and cultural aspects of Tohono O'odham children's cognitive and social development.* (February, 2008). University of Utah Developmental and Clinical Child Brown Bag
5. *Dynamic systems approaches to development: Unified theoretical framework or obfuscating repetition of old news?* (September, 2007). University of Utah Developmental and Clinical Child Brown Bag
4. *The influence of another's perspective on children's recall of previously misconstrued events.* (October, 2005). University of California, Santa Cruz, Developmental Psychology Colloquium
3. *Children's memory for conflicting perspectives of an event: Exploring links between cognitive abilities and social competence.* (February, 2005). University of Kansas, Developmental Science Proseminar
2. *Chaos and strange attractors: Why I study developmental psychology and why you might want to, too.* (February, 2005). Haskell Indian Nations University, Lawrence Kansas.
1. *Narrating memories of trauma in adolescence.* (March, 2004). University of Kansas, Proseminar on Cognitive Psychology.

CONTRACTS

- 2016-2017 Administration for Children and Families, OPRE
Tsethlikai, M., Murray, D.W., Meyer, A.M., & Sparrow, J. (2017). Reflections on the Relevance of “Self-Regulation” for Native Communities. OPRE Brief #XXXXX. Washington, DC: Office of Planning, Research, and Evaluation, Administration for Children and Families, US. Department of Health and Human Services.
- 2011-2014 Westat
Understanding Urban Indian’s Interactions with ACF Programs and Services. Conduct review of research on urban Indian issues, and hold focus groups to examine cultural and community barriers to accessing ACF services.
- Consultant and contributing author on two white papers:
- Understanding Urban Indian’s Interactions with ACF Programs and Services: A Literature Review
http://www.acf.hhs.gov/sites/default/files/opre/urban_ai_an_literature_review.pdf
- Understanding Urban Indians Interactions with ACF Programs and Services: Final Project Report
http://www.acf.hhs.gov/sites/default/files/opre/urban_indians_report.pdf
- 2009-2011 Consultant for the American Indian Head Start Research Consortium
Assist with the development of culturally appropriate cognitive assessment tools for American Indian children and assist with testing in participating communities.
- 2004-2005 Consultant for the National Urban Indian Family Coalition
Responsible for preparing a policy analysis (Urban Indian America: The Status of Native Children and Families Today) documenting the status of urban American Indian families and advocating for their needs at tribal, local, and national levels.

INSTRUCTION AND MENTORING

Courses Taught at Arizona State University

CDE232 Human Development
SOC390 Social Statistics

Courses Taught at University of Utah

PSY6220 Cognitive Development across the Lifespan

PSY5220 Cognitive Development
 PSY3000 Statistical Methods in Psychology
 PSY3240 Adolescence and Emerging Adulthood
 PSY3240 Adolescence Hybrid class
 PSY1220 Psychology of Infancy and Childhood

Courses Taught at University of California, Santa Cruz

Introduction to Statistics for Psychology

Courses Taught at University of Kansas

Cognitive Development
 Statistical Methods in Psychology

Mentoring/ Advisement

The following table contains a list of doctoral committees and master's committees that I have chaired/ co-chaired or served on as a committee member.

Year	Name of Student	Degree Program
2017	Kevin Korous	Chair: M.A. Human Development
2015	Khaerannisa Cortes	Comprehensive exam for Ph.D.
2014	Caitlin O'Connor	Chair: M.A. Psychology (Developmental)
2012	Scheryl Schindler	Preliminary Proposal for Ph.D. Psychology (Clinical)
2011	Stacia Bourne	M.A. Psychology (Developmental)
2011	Rachel Collins	Ph.D. Parks and Recreation
2010	Cass Morgan	Ph.D. Parks and Recreation
2009	Masha Komolova	Ph.D. Psychology (Developmental)
2009	Trisha Weeks	Ph.D. Psychology (Developmental)
2008	Beverly Brehl	Ph.D. Psychology (Developmental)

Senior/ Honors Thesis Advisor

Year	Name of Student	Project
2010	Caitlin O'Connor	Exploring possible interrelations among social knowledge complexity, social competence, and childhood depression.
2008	Andrea Kalvesmaki	A cross-cultural comparison of social perspective coordination ability and children's recall of mutual conflict between friends.

PROFESSIONAL SERVICE and ACTIVITIES

National

Administration for Children and Families, Administration for Native Americans Grantee Meeting held in Marksville, Louisiana, June, 2016. Conference session presenter with Michelle Sarche and Zaneta Thayer, *Adverse Childhood Experiences in Tribal Communities: Understanding Impacts, Honoring Strength, and Supporting Resilience*.

The Way Forward: Measurement for Human Service Programs in AIAN Communities held in Washington, D.C. November, 2015/2016/2017. Planning committee member and presenter, sponsored by the U.S. Department of Health and Human Services, Administration for Children and Families, Office of Planning and Research Evaluation. January, 2015 to present.

Tribal Early Childhood Research Center at the University of Colorado, Denver, Early Childhood Service Needs Assessment Group member, sponsored by U.S. Department of Health and Human Services, Administration for Children and Families, Office of Planning and Research Evaluation and Mathematica, 2015 to present

AIAN FACES workgroup member representing ASU on a national panel of experts and Region XI Head Start directors, sponsored by U.S. Department of Health and Human Services, Administration for Children and Families, Office of Planning and Research Evaluation , 2013 to present

Consultant for the American Indian College Fund's Wakanyeja: Sacred Little Ones Early Childhood Education Initiative, from 2011 to present.

<http://www.collegefund.org/content/wakanyeja>

AIAN FACES Expert Panel Meeting, December 17, 2013, sponsored by the Office of Planning, Research, and Evaluation (OPRE) within the Administration for Children and Families.

Steering committee member, Tribal Early Childhood Research Center, University Of Colorado, Colorado School of Public Health, Centers for American Indian and Alaska Native Health, 2011 to present.

Mentor, Society for Research in Child Development Millennium Fellows Program held at the Biennial conference held in Boston, MA, 2007, Denver, CO, 2009, and Montreal, CA, 2011.

PROFESSIONAL REVIEWING

Grant reviewer for the National Institute of Justice New Investigator/Early Career Program, July 2016.

Grant reviewer for the National Institutes of Justice Program of Research on American Indian and Alaska Native Youth, July 2014.

Peer Reviewer for the National Institutes of Justice, Office of Justice Programs as of 1/1/2014

Panelist on the Psychology 2 Panel for the 2013 NSF Graduate Research Fellowship Program Evaluation Meeting held in Washington, D.C.

Panelist on the Psychology 1 Panel for the 2012 NSF Graduate Research Fellowship Program Evaluation Meeting held in Washington, D.C.

American Indian College Fund Grant Reviewer for the 2011 Sacred Little Ones Evaluation Meeting held in Denver, CO.

Panelist on the Psychology 2 Panel for the 2011 NSF Graduate Research Fellowship Program Evaluation Meeting held in Washington, D.C.

Panelist on the Psychology 1 Panel for the 2010 NSF Graduate Research Fellowship

Program Evaluation Meeting held in Washington, D.C.

Ad Hoc Reviewer: *British Journal of Developmental Psychology, Child Development, Maternal and Child Health Journal, Human Development, Journal of Developmental Psychology, Journal of Cognitive Science, Memory; Attention, Learning Processes, and Memory Review Panel, Society for Research in Child Development, 2006.*

Arizona

Speaker for the Salt River Pima Maricopa Indian Community - On the Journey to Wellness Spring Prevention Conference, April, 2014

Presentations to Mesa Public Schools Parent Groups, January, 2013, February, 2014, & October, 2014

Speaker for the Tohono O'odham Culture Teacher Gathering, March 29, 2012

Utah

Judge, American Indian Woman Scholar Competition, University of Utah, April 2009 and 2011.
