## **COMMUNITY OUTREACH AND ENGAGEMENT ACTIVITIES**

---

**Lunch and Learn on “Brexit, the EU and the U.S.”** Hosted on behalf of the ASU School of Public Affairs and Watts College of Public Service and Community Solutions a university and communitywide event featuring Ireland’s Minister of State and Public Finance, Expenditure and Reform. Introduced the Minister and moderated a panel discussion on collaborations and linkages between ASU and Irish universities, trade relations, the global economy, and the Ireland’s new Climate Action for “greening” government. November 2019

**Alliance for Innovation Webinar.** Partnered with ASU colleagues and the Alliance for Innovation to host an hour-long webinar to share recommendations and best practices for integrating and implementing sustainable procurement policies within their cities. August 2017

**Graduate Schools and Careers Panel for MasterCard Foundation Scholars Program.** Served as a panelist for the MasterCard Foundation Scholars Program’s Graduate Schools and Careers Panel. MasterCard Foundation Scholars Program supports over 100 students from Sub-Saharan Africa at ASU. March 2017

**City of Phoenix Green Procurement Pro-Bono Project.** Partnered with ASU colleagues and the City of Phoenix to conduct focus group interviews, to learn more about the barriers and facilitators to green purchasing in their departments. Additionally, eight graduate students used the project in their class, "Organizations, Sustainability and Public Policy," to develop reports on the ways the City of Phoenix can further implement its sustainable purchasing policy. Students presented their reports to City of Phoenix Directors of Finance and Environment. One of these students was hired by Phoenix to work directly with the Chief Sustainability Officer. 2016-17

**Environmental Policy and Management Strategies for the 21<sup>st</sup> Century Roundtable.** Served as a panelist for a roundtable co-presented by Evans School of Public Policy and Governance, University of Washington and the Henry M. Jackson Foundation on new methods, policies, and tools that will assist policymakers across levels of government in crafting effective mechanisms for dealing with complex environmental issues. The UW Alumni Association was a co-sponsor of the event. (https://www.youtube.com/watch?v=gLUhwE0AgME) April 2014
