---

**EDUCATION**

1998 Ph.D., Clinical Psychology, Duke University  
1995 M.A., Clinical Psychology, Duke University  
1992 M.A., Experimental Psychology, University of North Carolina, Chapel Hill  
1986 B.S., Business Administration: Special Area Chemistry, Ohio State University

**EMPLOYMENT**

8/2018 – present **Associate Dean of Faculty**, The College of Liberal Arts and Sciences, Arizona State University  
8/2011 – present **Professor**, Dept. of Psychology, Arizona State University  
10/2006 – 8/2011 **Associate Professor**, Basic Medical Sciences, University of Arizona College of Medicine, Phoenix  
8/2006 – 8/2011 **Associate Professor**, Dept. of Psychology, Arizona State University  
8/2000 – 8/2006 **Assistant Professor**, Dept. of Psychology, Arizona State University  
9/1998 – 7/2000 **Postdoctoral Associate**, Dept. of Psychology, University of Vermont  
9/1998 – 7/2000 **Clinical Psychologist**, Univ of Vermont Medical Center, Burlington, VT.  
8/1997-8/1998 **Clinical Intern**, Veteran’s Administration Medical Center, Memphis, TN  
6/1986-7/1990 **Management Information Consultant**, Andersen Consulting (now Accenture), GE Information Systems, JasTech, Inc.

**ADMINISTRATIVE SERVICE**

- **Associate Dean of Faculty**, The College of Liberal Arts and Sciences; 2018-present
  - Develop and promote diversity, equity, and inclusion initiatives in faculty processes, student success, and institutional climate
  - Oversee faculty recruitment, hiring, professional development, sabbaticals, retirement, leaves for ≈1,200 faculty
  - Facilitate handling of faculty grievances and disciplinary actions
  - Develop and conduct orientation and training for new unit Chairs/Directors
  - Member of College Executive Committee; University Management Team
  - Conduct New Assistant Professor workshops and P&T workshops
  - Oversee Dean’s Faculty Advisory Committee (college P&T committee)
  - Review/approve unit bylaws and P&T criteria
  - Provide consultation to Deans, unit Chairs and Directors on faculty issues
  - Backup for Associate Dean of Research, Divisional Deans, College Dean
  - Assist in donor outreach / philanthropic initiatives
  - Identify potential revenue sources for online leadership and interpersonal skills training modules
  - *Ex officio* on Justice, Equity, Diversity, and Inclusion (JEDI) Committee, College Senate, and College Awards committees.
  - Develop and provide professional development training for faculty
- **ASU ADVANCE Leadership Team**; 2019-present
  - Represent and recommend activities at the College level to advance equity,

- diversity, inclusion, and belongingness in faculty recruitment, hiring, promotion, and retention.
- Consult on university-wide strategies for advancing diversity and inclusion in personnel processes.
- **AAAS SEA Change Assessment team:** 2019-present.
  - Consultation on SEA Change proposal to AAAS
  - Advise on the metrics for assessing improvement in DEI and climate at ASU
  - Share resources and strategies used by The College of Liberal Arts & Sciences to advance DEI in faculty personnel processes.
- **PeerLA Leadership Academy:** 2019-present
  - Intensive training program for future leaders across ASU
- **Chair, University Promotion & Tenure (P&T) Committee,** 2015-2017
  - Oversee multidisciplinary review process for P&T cases from across ASU (approximately 100/year)
  - Prepare recommendation reports for provost and president.
  - Orientation and training of incoming committee members
- **Behavioral Science Theme Director** for the University of Arizona College of Medicine (UACOM), Phoenix, in partnership with Arizona State University, 2006-2010
  - Founding faculty member in a new medical school (first students admitted in 2007)
  - Present an innovative vision for the role of psychosocial and behavioral training in traditionally biomedical-focused medical training
  - Develop behavioral sciences curriculum for medical students
  - Work with basic and clinical sciences theme directors to integrate training within existing disciplines
  - Recruit behavioral sciences faculty

## EXTERNAL FUNDING

### Active/Ongoing:

- NIH/NIDDK R01 MD011599-01      10% effort      7/1/2017-3/31/2023      \$1,917,331  
 “Childhood obesity among impoverished Mexican Americans: Longitudinal growth patterns and cultural-bioecological predictors from birth to pre-puberty”  
 Role: Co-PI with Perez
- NIH/NICHHD R01      15% effort      9/1/2017-8/31/2023      \$2,238,350  
 “Effects of a parenting-after-divorce program 26 years later on physical health” (PI: Wolchik)  
 Role: Co-investigator

### Past/Completed:

- NIH/NIDA R01      10% effort      7/1/2014-6/30/2020      \$3,822,980  
 “Optimizing School-based Family Interventions for Adolescent Substance Use” (PI: Gonzales)  
 Role: Co-investigator
- NIH/NICHHD R01HD083027      20% effort      4/1/2014-3/31/2020      \$2,765,269  
 “Emerging Regulatory Capacity in Low-income Mexican American Children”  
 Role: PI, with Co-PIs Crnic, Gonzales
- NIH F31HD090917-01A1      NRSA      8/1/2017-7/31/2019      \$85,988  
 “Resilient profiles and college adjustment among biracial White/Hispanic college students”  
 Role: Mentor (predoctoral student: Shannon L. Jewell)
- NIH T32 DA039772      7/1/15-6/30/20      \$2,011,867  
 “Research training in drug abuse/HIV prevention: closing the research-practice gap.  
 (PI: Chassin)

Role: Co-investigator

NIH/NIMH R01 MH083173-01 20-30% effort 1/1/2009-12/31/2014 \$3,235,563  
 “Coregulatory Predictors of Postpartum Depression in Low-income Mexican Americans”  
 (PIs Luecken, Crnic, Gonzales)

NIH/NICHHD R01 10% effort 7/01/2010 - 6/30/2016 \$2,107,570  
 “Impact of the Family Bereavement Program Fifteen Years Later” (PIs: Sandler, Ayers)  
 Role: Co-investigator

NIH/NICHHD R01 7/1/2009 – 6/30/2014 \$2,119,719  
 “Effects and Meanings of Fathers for Children and Adolescents” (PI: Fabricius)  
 Role: co-Principal Investigator

NIH F31 Ruth L. Kirschstein NRSA 7/1/2011-6/30/2013 \$88,679  
 “Resilient Profiles and Postpartum Depression in Low-income Mexican American Women”  
 Role: Mentor (predoctoral student: Jenna Gress-Smith)

NIH/NIA R01 7/2007-6/2012 \$1,995,180  
 “Neuroanatomical Substrates of Aging and Cognitive Decline” (PI: Alexander)  
 Role: Co-investigator (ASU subcontract)

NIH/NIMH R01 7/1/2006-6/30/2012 \$1,981,867  
 “Effects of NBP for Children of Divorce 15 Years Later” (PI: Wolchik)  
 Role: Co-investigator

NIH/NIA R01 10/2005-9/2013 \$2,499,024  
 “Resilience and Health in Communities and Individuals” (PI: Zautra)  
 Role: Co-investigator

NIH/NIMH R03 1/1/2005-12/31/2006 \$300,000  
 “Interpersonal Perceptions and the Placebo/Nocebo Effect” (PI: Nemeroff)  
 Role: Co-investigator

Institute for Social Science Research 9/1/2005-8/31/2006 \$19,600  
 “Resilience Mechanisms in Low Income Hispanic Mothers and Their Infants” (PI: Lemery)  
 Role: Co-Principal Investigator

NIH/NIMH R03 1/2004-12/31/2006 \$149,500  
 “Caregiving, Cognition, and Physiological Stress Responses” (PI: Luecken)

Maricopa County Dept of Public Health 8/1/2004 – 4/1/2006 \$51,500  
 “Friendly ACCHS baseline survey: Prenatal care and neonatal health outcomes”  
 (PI: Luecken)

St. Luke’s Health Initiative 7/1/2003-6/30/2004 \$75,000  
 “Resilience through healthy aging: From Framingham to Phoenix” (PI: Zautra)  
 Role: Co-investigator

NIH/NIMH R01 7/1/2001-6/30/2006 \$2,397,477  
 “6 Year Follow-up of a Prevention Program for Bereaved Families” (PI: Sandler)  
 Role: Co-investigator

American Heart Association; Scientist Development Grant 1/2001 – 12/2005 \$260,000  
 “Developmental Experiences and Adult Cardiovascular Disease Risk Factors” (PI:  
 Luecken)

Arizona State University Faculty Grant-in-Aid 1/1/2001-12/31/2002 \$6,970  
 “Influence of Voluntary and Automatic Cognitive Processes on Physiological Stress  
 Responses” (PI: Luecken)

Lake Champlain Cancer Research Organization 12/1998-12/31/1999 \$30,000  
 “Effects of Psychosocial Intervention on Cortisol and Immune Function in Breast Cancer”  
 (PI: Luecken)

## HONORS AND AWARDS

2019 Outstanding Faculty Mentor Award; Arizona State University  
 2013 Samuel Leifheit Memorial Citizenship Award; Arizona State University, Dept. of Psychology

- 2011 Member of the Academy for Behavioral Medicine Research
- 2011 Fellow of the Association for Psychological Science
- 2011 Finalist, Outstanding Graduate Mentor Award; Arizona State University
- 2006 Faculty Promotion and Tenure Exemplar; Arizona State University
- 2001 Neal E. Miller New Investigator Award; The Academy of Behavioral Medicine Research

## PEER-REVIEWED PUBLICATIONS

\* *Italicized names represent student authors*

1. Luecken, L.J., Somers, J., & Roubinov, D.S. (in press). Infant biological sensitivity to father engagement in low-income Mexican-American families. *Developmental Psychobiology*.
2. Roubinov, D.S., Luecken, L.J., Curci, S.G., Somers, J.A., & Winstone, L.K. (in press). A prenatal programming perspective on the intergenerational transmission of maternal childhood adversity to offspring behavior problems. *American Psychologist*.
3. Lin, B., Yeo, A.J., Luecken, L.J., and Roubinov, D.S. (in press). Effects of maternal and paternal postpartum depressive symptoms on infants' parasympathetic regulatory development in low-income Mexican American families. *Developmental Psychobiology*.
4. Roubinov, D.S., Somers, J.A., & Luecken, L.J. (in press). Maternal depressive symptoms, paternal engagement, and infant behavior problems in low-income Mexican-origin families. *Journal of Clinical Child and Adolescent Psychology*.
5. Ibrahim M.H., Luecken, L.J., Jewell, S.L., Somers, J.A., & Wolchik, S.A. (in press). The effects of non-residential father involvement in adolescence on offspring health 15 years after parental divorce. *Family Court Review*.
6. Somers, J.A., & Luecken, L.J. (2020 early access). Socioemotional mechanisms of children's differential response to the effects of maternal sensitivity on child adjustment. *Parenting: Science and Practice*.
7. Somers, J.A., Curci, S.G., & Luecken, L.J. (2020 early access). Quantifying the dynamic nature of vagal responsivity in infancy: methodological innovations and theoretical implications. *Developmental Psychobiology*.

- Luecken, L.J. (2007). "Prenatal care satisfaction and resilience factors in Maryvale and South Phoenix, Arizona." Maricopa Medical Center Summit, Phoenix, AZ.
- Luecken, L.J. (2007). "Prenatal care satisfaction and resilience factors in South Phoenix, Arizona." Maricopa County Department of Public Health's South Phoenix Community Summit, South Phoenix, AZ.
- Luecken, L.J. (2007). "Prenatal care satisfaction and resilience factors in Maryvale, Arizona." Invited speaker at the Maricopa County Department of Public Health's Maryvale Community Summit, Maryvale, AZ.
- Luecken, L.J. (2005). "Improving neonatal health outcomes: Communities and universities

working together to promote resilience”. Keynote speaker at St. Luke’s Health Initiative’s “Health in a New Key” kick-off conference, November 16, 2005, Phoenix, AZ.

## MENTORING AND TEACHING

### Doctoral student mentoring - Chair

1. **Adam McCray**, PhD. 2005; Dissertation: “Psychophysiological responses to modulation of negative emotion: Differential effects in two dispositional emotion regulation styles”
2. **Brad Appelhans**, PhD. 2006; Dissertation: “Heart rate variability as a predictor of pain sensitivity and pain-related attention”
3. **Amy Kraft**, PhD. 2010; Dissertation: “Family conflict, cognition, and stress physiology”
4. **Melissa Hagan**, PhD. 2013; Dissertation: “A Prospective study of negative childhood events, temperament, adolescent coping, and stress reactivity in young adulthood.”
5. **Catherine Purdom Marreiro**, PhD. 2013; Dissertation: “Neuropsychological functioning and stress reactivity in Type 1 diabetes mellitus” \*Received 2012 APA Dissertation Award
6. **Jenna Gress-Smith**, PhD. 2014; Dissertation: “Resilience profiles and postpartum depression in low-income Mexican American women”
7. **Danielle Roubinov**, PhD. 2014; Dissertation: “Father Involvement in Mexican American families”
8. **Rika Tanaka**, PhD. 2015; Dissertation: “Asian American parental involvement, adolescent depression, and young adult general health: the moderating role of intergenerational gap in acculturation”
9. **Nicole Mahrer**, PhD. 2015; Dissertation: “Understanding the effect of non-responsive parenting on offspring externalizing problems in adulthood: Examining the roles of stress response and culture”
10. **Shannon Jewell**, Ph.D. 2020; Dissertation: “Examining variability in identity, resilience, and college adjustment among multiracial Hispanic/Latinx and White college students”  
\*\*received 2018 Robert B. Cialdini Dissertation Project Prize from ASU Dept. of Psychology  
\*\*received 2019 PEO Scholars Award (\$15,000 award given by the International Chapter of the P.E.O. Sisterhood).
11. **Mariam Hanna**, Ph.D. 2020. Dissertation: “Middle Eastern and North African (MENA) American Youth Reports of their Parenting Experiences: Associations with Mental and Physical Health”  
\*\*received 2018 Psychology Doctoral Scholar award from ASU Dept. of Psychology
12. **Jennifer Somers**, MA, (PhD expected June 2021). Dissertation: “Getting to the heart of the matter: The role of infant vagal tone in emotion regulation during mother-infant interactions. \*\* Received 2019 Doctoral Scholar Award from the ASU Dept. of Psychology  
\*\* Received NSF predoctoral fellowship 2016-2019  
\*\* Received 2020 P.E.O Scholars Award (\$15,000 award given by the International Chapter of the P.E.O. Sisterhood)  
\*\* ASU semi-finalist for the national Council of Graduate Schools/ProQuest Distinguished Dissertation Award.
13. **Laura Winstone**, MA – 2018 (expected PhD 2022)  
\*\*received 2020 Sharon Manne Scholar award from ASU Dept. of Psychology
14. **Sarah Curci**, MA - 2019 (expected PhD 2023)  
\*\*received 2020 Swift Scholar award from The College of Liberal Arts & Sciences
15. **Juan Hernandez** – 2<sup>nd</sup> year student (expected PhD 2024); co-mentored with Marisol Perez  
\*\*received 2020 Sharon Manne Scholar award from ASU Dept. of Psychology
16. **Yan (Natasha) Chi Tung** (2018-present). Monash University, Australia. Research co-mentor with Joshua Wiley. “Diet, upbringing, resilience, emotions, stress, and sleep (DURESS) study.”

### **ASU Masters student mentoring – Chair**

1. Rebecca Wershba, M.A. 2010; “Child maltreatment and hypothalamic-pituitary-adrenocortical axis dysregulation”
2. Anna Rodriguez, M.A. 2005; “Exploring the distinction Between stress and distress in women with breast cancer”
3. Jessica Tartaro, M.A. 2002; “Who benefits?: Distress, adjustment and benefit-finding among breast cancer survivors”

### **ASU Undergraduate honors student mentoring - Chair**

1. Beth Perry (2019). “Executive function as a mediator of the impact of parenting on child externalizing behavior problems”
2. Itzel Olivas Varela (2018). “Maternal depression and mother-infant dyadic dysregulation.”
3. Samantha Rodriguez (2017). “Family support as a moderator of the impact of maternal depression on infant dysregulation.”
4. Ashley Preves (2017). “Maternal PTSD and infant internalizing symptoms: mediation by parenting stress.”
5. Joseph Barbera-Weaver (2016). “Quantitative effect of human and canine interaction on salivary concentrations of cortisol and testosterone”
6. Maria DiModugno (2016). “Quantitative effect of human and canine interaction on salivary concentrations of cortisol and testosterone”
7. Anna Bishop (2016). “Child emotionality and cortisol stress response”.
8. Shannon Jewell (2012). “Discrimination, social support, and cortisol levels in low-SES Hispanic women and infants”  
\*\* received the John Reich Award for Applied Social Psychology
9. Steven Carter (2012). “Parental overprotection and temperament: Effects on cardiovascular activity in young adulthood”
10. Sierra Christensen (2010). “Depressive and insomnia symptoms: A look at sleep effort”
11. Michele Moreno, School of Life Sciences (2009). “Associations of maternal postpartum depressive symptoms and infant health in a sample of low-income women”
12. Tiffany Gearhart (2005). “Effect of rat dam stress during handling on rat pups’ emotionality and hippocampal functioning in adulthood” (Co-mentored with Cheryl Conrad)  
\*\* received Dean’s Circle Scholarship award, and the Ernie Lindholm Award for Neuroscience
13. Rudy Bellani (2004). “Peripubertal anxiety profile can predict predisposition to spatial memory impairments following chronic stress” (Co-mentored with Cheryl Conrad)  
\*\* received the Ernie Lindholm Award for Neuroscience
14. LaMista Johnson (2003). “Ambulatory blood pressure changes associated with location and mood”
15. Angela Zapata (2002). “Relationships of perceived levels of religiosity and spirituality with self-esteem in college students”
16. Erik Huntsinger (2001). “Self-esteem as a mediator between attachment style and health behavior”  
\*\*received “Thesis of Distinction” award from Honors College.

### **Other student mentoring**

1. Ziev Moses (2007). Honors student in Biomedical Engineering at Tulane University (New Orleans; co-mentored with Dr. James Eason at Tulane). “Measuring task-related changes in heart rate variability”
2. Arthi Satyanaryan (2007). Hamilton High School student, mentored for the Central Arizona Regional Science and Engineering Fair (*received Grand Prize*), and the Intel International Science and Engineering Fair (*received 3<sup>rd</sup> place*). “Sibling relationships, family conflict, and achievement motivation in university students”

### **Membership on graduate student committees**

1. Bruce Smith, Dissertation, 2001
2. Heather Burke, Comprehensive exam, 2001; Dissertation, 2003
3. Jason Williams, Master's thesis, 2001
4. Debra Davis, Comprehensive exam, 2002
5. Kirk Lin, Master's thesis, 2002
6. Monica Ulibari, Dissertation, 2005
7. Cara Kennedy, Comprehensive exam, 2003
8. Josef Michel, Master's thesis, 2003
9. Lisa Burgess, Comprehensive exam, 2002; Dissertation, 2003
10. Brandon Alderman (Dept of Kinesiology), Comprehensive exam, 2003; Dissertation, 2004
11. Rob Fasman, Master's thesis, 2004
12. Heather Okvat, Master's thesis, 2004; Dissertation, 2010
13. Michael Hoyt, Master's thesis, 2004; Comprehensive exam, 2005; Dissertation, 2007
14. Kate Murray, master's thesis, 2005
15. Mark Haynes (Hugh Downs School of Communication), Comprehensive exam, 2005
16. Ana Brown, Master's thesis, 2005
17. Clorinda Schenck, Master's thesis, 2006
18. Kristy McDonald, Master's thesis, 2006; Comprehensive exam, 2008; Dissertation, 2011
19. Denise Kruszewski, Master's thesis, 2006; Dissertation, 2009
20. Jesse Boring, Master's thesis, 2007
21. Karina Sokol, Comprehensive exam, Dissertation, 2007, 2008
22. Rebecca Wershba, Master's thesis, 2009
23. Shannon Beckman, Comprehensive exam, Dissertation, 2009
24. Rebecca Newland, Master's thesis, 2009
25. Lucia Ciciolla, Comprehensive exam, 2010; Dissertation, 2014
26. Alice Veksler (Hugh Downs School of Communication), Comprehensive exam, 2009; Dissertation, 2010
27. Mary Driscoll, Dissertation, 2011
28. Andrew White, Comprehensive exam, 2011, Dissertation prospectus, 2012
29. Go Woon Suh, Comprehensive exam, 2014
30. Shayna Coburn, Dissertation, 2014
31. Betty Lin, Comprehensive exam, 2013; Dissertation 2015
32. Laurie Dempsey Wolf, Dissertation, 2015
33. Mike Sladek, Master's thesis, 2015; Dissertation 2018
34. Dhvani Kothari, Master's thesis, 2015; Dissertation 2018
35. Tara Ohrt, Master's thesis, 2016; Comprehensive exam, 2017; Dissertation 2019
36. Emily Jenchura, Master's thesis, 2015
37. Emily Ross, Comprehensive exam, 2016; Dissertation 2019
38. Lisa Gunter, Comprehensive exam, 2016; Dissertation 2018
39. Crys Rivers, Dissertation, 2018
40. Shannon Moore, Master's thesis, 2017; Dissertation 2019
41. Claire Yee, Comprehensive exam, 2017; Dissertation 2018
42. Melanie Hill, Comprehensive exam, 2017
43. Aubrey Rhodes, Master's thesis, 2019
44. Francesca Gomez, Master's thesis, 2021

### **Classes Taught**

- PSY191: College Life and Sleep
- LIA194: Movies and Mental Health
- PGS270: Psychology of Adjustment
- PSY366: Abnormal Psychology – Online

- PSY399/499: Undergraduate Research
- PSY462: Health Psychology
- PGS472: Introduction to Clinical Psychology
- PSY501: Supervised Teaching
- PSY591: Graduate Seminar in Health Psychology
- PSY680: Graduate Clinical Practicum
- PSY780: Advanced Treatment Methods: CBT for Clients with Cancer

## OTHER SERVICE ACTIVITIES

### Professional Service

- Editorial Service
  - Editorial Board, *Health Psychology*, 2017 - 2019
  - Associate Editor, *Anxiety, Stress and Coping*, 2014 - 2017
  - Editorial Board, *Anxiety, Stress and Coping*, 2013
  - Consulting Editor, *Health Psychology*, 2006-2011
  - Editorial Board, *Journal of Behavioral Medicine*, 2005-2008
- SRCD Conference abstract reviewer, 2016
- External Referee for promotion decision: 2020, 2019, 2018, 2017, 2014, 2012
- Grant reviewing
  - NSERC grant reviewer (Canadian Natural Sciences and Engineering Research Council), 2017
  - NIH grant review, MESH section, 2016
  - Ad-hoc grant reviewer, Wellcome Trust, 2014
  - NIH grant review, MESH section, 2011
  - Ad-hoc grant reviewer, UK Medical Research Council UK, 2010
  - Ad-hoc grant reviewer, NSF; Behavioral and Cognitive Sciences, 2005, 2007
  - Ad-hoc grant reviewer, California Breast Cancer Research Program, 2004
- Ad-hoc reviewer: *Annals of Behavioral Medicine; American Journal of Orthopsychiatry; American Psychologist; Annals of Epidemiology; Anxiety, Stress, and Coping; Archives of General Psychiatry; Archives of Women's Mental Health; Biological Psychology; Child: Care, Health and Development; Child and Youth Services Review; Children; Cognition and Emotion; Cognitive, Affective, and Behavioral Neuroscience; Communication Monographs; Cultural Diversity and Ethnic Minority Psychology; Developmental Psychobiology; Emotion; Developmental Psychology; Emerging Adulthood; Ethnicity and Health; European Journal of Psychiatry; Evolutionary Psychology; Health Psychology; Hormones and Behavior; Infancy; International Journal of Behavioral Medicine; International Journal of Psychiatry in Medicine; International Journal of Psychology; International Journal of Psychophysiology; Nicotine and Tobacco Research; Journal of Adolescence; Journal of Applied Developmental Psychology; Journal of Behavioral Medicine; Journal of Child Psychology and Psychiatry; Journal of Family Psychology; Journal of Immigrant and Minority Health; Journal of Marriage and Family; Journal of Personality and Social Psychology; Journal of Personal and Social Relationships; Journal of Personality; Journal of Psychosomatic Obstetrics and Gynecology; Journal of Psychosomatic Research; Journal of Reproductive and Infant Psychology; Journal of Research in Personality; Journal of School Violence; Journal of Zhejiang University-SCIENCE B; Maternal and Child Health Journal; Patient Education and Counseling; Physiology and Behavior; Personality and Social Psychology Bulletin; Psychological Medicine; Psychological Science; Psychology of Women Quarterly; Psychosomatic Medicine; Psychoneuroendocrinology; Prevention Science; Preventive Medicine; Psychiatry Research; Psychological Bulletin; Psychology and Aging; Social Science and Medicine*

- APA Division 38 (*Health Psychology*) Education and Training Committee 2004-2011
- Special Issue Co-editor, *Journal of Personality*, “Resilience in Common Life”, 2009

### University Service

- Panel member, Faculty Women’s Association workshop on University P&T, 2018, 2019
- Panel member Graduate Professional Student Association Mentoring, 2019
- Reviewer/Group leader, CLAS promotion and tenure workshops, March 2018
- Reviewer, CLAS NIH-CDC Social and Behavioral Sciences training program, 2017
- Panel member, Best Practices and Pitfalls in P&T, Center for Critical Inquiry and Cultural Studies, 2016
- Chair, University Promotion & Tenure committee, 2016-2018
- NIH Day Panel Member, 2013
- Dean’s Faculty Advisory Council, 2012, 2014
- CLAS Academic Standards Committee, 2009-2011
- PhD Development Committee member, U of A College of Medicine, 2007
- Pre-assessment Committee Chair, U of A College of Medicine, 2006-2007
- Panel member, Preparing Future Faculty program of the Graduate School, 2002

### Departmental Service

- Research faculty P&T committee, 2017
- Member, Clinical Admissions Committee, 2002-2003, 2006-2007, 2009-2010, 2014-2015, 2016-2017
- Chair, McCarthy hiring committee, 2015
- Chair, Lemery-Chalfant promotion committee, 2014
- Chair, Faculty Evaluation Committee, 2012-2013
- Chair, Health Faculty Search Committee, 2012-2013
- Interviewing workshop for clinical internship applicants, 2013, 2015
- Panel member; NRSA Writing Camp, 2013
- Member, Undergraduate Awards committee, 2010-2013
- Member, Faculty Evaluation Committee, 2007, 2012, 2017-2018
- Member, Cognition, Action, & Perception Faculty Search Committee, 2009-2010
- Member, Space Committee, 2008-2009
- Chair, Clinical Admissions Committee, 2008-2009
- Member, Shiota 3<sup>rd</sup> Year Review Committee, 2008
- Member, Departmental Planning and Advisory Committee, 2005-2006
- Coordinator, Health Psychology Alliance, ASU, 2002-2006
- Member, Adjunct Appointments Committee, 2006
- Internship supervisor for clinical students, 2001-2005
- Faculty supervisor of Psychology Clinic Health Team, 2003-2005
- Committee member for Ernie Lindholm award for undergraduate neuroscience, 2005
- Licensed Clinical Psychologist in Arizona, 2000-present

### Community Service

- Member, *South Phoenix Healthy Start Community Action Network*, 2015 – present
- Expert witness, 2014-15, 2019-20; 2020-2021
- Adjunct Research Associate, *Maricopa Integrated Health Services*, 2010 - 2018
- Member *Arizona Postpartum Wellness Coalition* – 2007 - 2009
- Member *Alliance for Innovations in Health Care*, 2003 – 2010
- Member *It’s a Baby’s Life*, 2006 - 2009
- Representative, *Governor’s Commission on the Health Status of Women and Families in Arizona*, 2003
