
Jane E. Buikstra

Arizona State University, School of Human Evolution and Social Change

Rm 233, Tempe, AZ 85287-2402

Phone: 480-965-6931 • Fax: 480-965-7671 • buikstra@asu.edu

EDUCATION

DePauw University, B.A. (Anthropology)	1967
University of Chicago, M.A. (Anthropology)	1969
University of Chicago, Ph.D. (Anthropology)	1972

HONORS AND AWARDS:

McMahan Scholar, Alpha Lambda Delta, DePauw University	1963-1967
Phi Beta Kappa, DePauw University	1967
National Science Foundation Graduate Fellowship	1967-1970
Student Advisory Board, Teaching Award, Northwestern University	1981
National Academy of Sciences, elected	1987
Gerrit Heinrich Kroon Memorial Lecture, University of Amsterdam	1988
Harold H. Swift, Distinguished Service Professor University of Chicago	1989-1995
National Association of Student Anthropologists, AAA, Service Award	1991
Sherwood Washburn Memorial Lecture, University of California, Berkeley, Department of Anthropology	1993
Distinguished Professor of Anthropology University of New Mexico (UNM)	1995-2000
Loren Eiseley Society Lecturer, University of Pennsylvania Museum of Anthropology	1997
Leslie Spier Distinguished Professor of Anthropology University of New Mexico	2001-2005
UNM General Library Award for Research Achievement	2002
George E. Burch Fellow in Theoretic Medicine and Affiliated Sciences at the Smithsonian Institution	2003-2007
Annual Research Lecturer, University of New Mexico	2003
Pomerance Award for Scientific Contributions to Archaeology, Archaeological Institute of America	2005
Honorary Professor, Department of Archaeology, University of Durham, UK	2005-2015
Institute of Advanced Study Distinguished Fellowship, University of Durham, UK	2007
American Academy of Forensic Sciences, Physical Anthropology Section T. Dale Stewart Award	2008

Charles R. Darwin Lifetime Achievement Award, American Association of Physical Anthropologists	2008
Fulbright Senior Specialist Award 2892/3295	2008
Koster Family Appreciation Award	2009
American School of Classical Studies, Athens, Board of Directors	2007+
Advisory Board, National Museum of Natural History, Smithsonian Institution	2009-2015
Regents' Professor, Arizona State University	2009-
Chancellor's Lecture, Louisiana State University	2009
Wendorf Lecture, Southern Methodist University	2009
Fryxell Award for Interdisciplinary Research, Society for American Archaeology	2010
Eve Cockburn Award for Service, Paleopathology Association	2011

ACADEMIC EMPLOYMENT:

Teaching Assistant, Department of Anthropology University of Chicago	1968-1969
Instructor, Northwestern University	1970-1972
Assistant Professor, Northwestern University	1972-1976
Associate Professor, Northwestern University	1976-1982
Associate Dean for Studies, Northwestern University	1981-1984
Research Associate, Field Museum of Natural History	1981-1990
Research Associate, Museum of the American Indian	1983-1986
Professor, Northwestern University	1982-1986
School of American Research, Resident Scholar	1984-1985
Professor, University of Chicago	1986-1995
Committees: Human Nutrition and Nutritional Biology; Evolutionary Biology	
Research Associate, University of Chicago	1995-
Professor, University of New Mexico	1995-2005
Interim Chair, Spring Semester, 1998	
Adjunct Professor of Anthropology, Washington University	1986-
Research Associate, University of Florida	1991-1997
Research Associate in Anthropology, Field Museum of Natural History	2003-2008
Research Associate, National Museum of Natural History	2005-2009
Adjunct Professor of Anthropology, University of New Mexico	2005-
Professor of Bioarchaeology and Director, Center for Bioarchaeological Research, Arizona State University	2005-

RESEARCH GRANTS:

National Science Foundation, Predoctoral Research Grant GS-2831	1969-1970
Hinds Fund, University of Chicago Committee on Evolutionary Biology	1970-1971
Bio-Medical Sciences Support Grant FR7028-05, National Institute of Health	1971
National Science Foundation Grant GS-41242 Consultant in Prehistoric Human Biology	1974-1976
National Science Foundation Grant GS-42969 A Paleobiological Perspective on the Hopewell "Decline", Principal Investigator	1974-1976

Northwestern University Summer Research Grant	1974-1985
Wenner-Gren Foundation, Bio-Archaeological Research	1978-1979
Wenner-Gren Foundation, Spinal Pathology in <u>Australopithecus africanus</u>	1983
National Science Foundation, Latin American Program, Division of International Programs: Archaeological Research on Marajo Island, Brazil, Co-principal Investigator	1983-1984
National Science Foundation Grant BNS83-18587 Cementum Annulation and Age Determination in <u>Homo Sapiens</u> , Co-principal Investigator	1984-1985
National Geographic Society, Gatas Project (Spain) Consultant in Physical Anthropology, Dr. Robert Chapman, Principal Investigator	1986-1989
National Endowment for the Humanities RO-21541-87 Consultant in Physical Anthropology, Shiqmim Project (Israel) Dr. Thomas E. Levy, Principal Investigator	1987-1989
National Science Foundation Grant BNS88-06389 Carbon Isotope Analysis in the Prehistoric Midcontinent: A Perspective on Agricultural Intensification, Principal Investigator	1988-1989
National Science Foundation Grant ESI-8955622 Archaeology and the Natural Sciences, Co-principal Investigator	1990-1992
National Science Foundation Grant BNS89-20769 Chiribaya: A Biocultural Approach to the Study of a Prehistoric Andean Polity, Principal Investigator	1990-1993
National Science Foundation Grant BNS-9110734 Improvement in the Condition and Management of the Records at the Kampsville Archaeological Center, Co-principal Investigator	1991-1993
National Science Foundation Grant ESI-9155027 Archaeology and the Natural Sciences, Co-principal Investigator	1992-1994
National Science Foundation Grant ESI-9352983 Archaeology and the Natural Sciences, Co-principal Investigator	1994-1995
National Science Foundation Grant SBR-9321377 Prehispanic Alpaca and Llama Production on the South Coast of Peru, Co-principal Investigator	1994-1996
National Science Foundation Grant ESI-9552910 Archaeology and the Natural Sciences, Co-principal Investigator	1996-1997
National Science Foundation Grant SBER-9708001 Strontium Isotope Analysis and Prehistoric Residential Change, Co-principal Investigator	1997-2000
National Science Foundation Grant SBR-9732417 Consultant in Research for Undergraduates, Site in Physical Anthropology: Preparing Students for Science Careers: Research Experiences and Socialization through Osteological Analyses and Scientific Visualization of Human Skeletal Remains, Co-principal Investigators M. K. Sanford and G. Kissling	1998-2001
National Science Foundation, Doctoral Research (Supervisor): BNS77-04095 DeRousseau BNS79-06052 Gordon BNS79-19489 Pickering BNS85-15371 Bullington BNS87-17590 Williams

SBR-9319784 Begley	
SBR-9910504 Rakita	
BCS-0221962 Lewis	
BCS-0242941 Nystrom	
BCS0034849 Wilbur	
BCS-0336402 East	
BCS 0654011 King	
BCS 0646781 Kohn	
BCS 0852610 Farnbach	
BCS-1207533 Miller	
BCS-1232582 Harkins	
National Geographic Society Grant	1997-2000
Early Copan Acropolis Project	
Illinois Department of Transportation Grants for the following projects:	
Elizabeth Mound Group	1974,1979-1981
Kuhlman Mound Group	1979-1981
Alexander Mound Group	1979
Jo Daviess County Site Jd-111	1979
Gauwitz Mound Group	1980
Illinois Historic Preservation Agency, The Mound House site	1994
Federal Emergency Management Agency / Grafton, Illinois:	
The Grafton Cemetery Project	1995-1999
Ahau Foundation: Isotope Studies at Copan	2002-2004
Foundation for the Advancement of MesoAmerican Studies, Inc:	
Radiography at Copan	2002-2004
National Science Foundation Archaeometry Grant 041347	2004-2006
Human Migration in Ancient Mesoamerica	
National Science Foundation	2006-2008
Human Migration in Ancient Mesoamerica II, Co-principal Investigator	
National Science Foundation The Evolutionary History of Tuberculosis:	2006-2009
An ancient DNA approach, Co-principal Investigator	
Wenner-Gren Foundation for Anthropological Research, Inc. International Collaboration	2006-2008
Research Grant "Age and Dynasty in Ancient Maya Society."	
National Science Foundation Grant BCS-0822880 Principal Investigator CAA/ASU	2008-2011
Prelude to Agriculture	
Social Science and Humanities Council, Canada, Co-Principal Investigator	2008-2011
Arizona State University's Institute for Humanities Research, Principal	2009-2010
Investigator "Embodied Identity: Plants, Social Meaning, and Belief	2009-2010
Systems Among the Chiribaya."	
National Science Foundation BCS-1063939 An investigation of the evolutionary history	2011-2014
of tuberculosis using ancient DNA, Co-principal Investigator	

FIELD EXPERIENCE:

North American Midwest, 18 Projects, 1966-
 Canadian Arctic, 1 Project, 1969
 Argentina, Santa Fe la Vieja, 1980-1982, 1984, 1987
 Brazil, Marajo Expedition, 1983-1986
 Peru, Programa Contisuyu, 1984-
 Spain, Gatas Expedition, 1986-
 Turkey, Çayönü Tepesi, 1988
 Honduras, 1995-

PUBLICATIONS:

Monographs/Books

Jane E. Buikstra and Lynne Goldstein. Perrins Ledge Crematory: Analysis and Interpretation of a Complex Crematory Site. Illinois State Museum Reports of Investigations, No. 28. Illinois Valley Archaeological Program Research Papers, Vol. 8. (1973).

Jane E. Buikstra. Hopewell in the Lower Illinois River Valley: A Regional Approach to the Study of Biological Variability and Mortuary Activity. Northwestern University Monograph, No. 2. (1976).

Jane E. Buikstra, ed., Prehistoric Tuberculosis in the Americas. Author of two substantive chapters: Chapter 1 "An Historical Introduction" and Chapter 10 (with D.C. Cook) "Pre-Columbian Tuberculosis in West-Central Illinois: Prehistoric Disease in Biocultural Perspective." Northwestern University Archeological Program Research Paper (1981). Translated and published in serial form as "La Tuberculosis Prehistorica en las Americas." In Revista Argentina de Tuberculosis. Enfermedades Pulmonares y Salud. Vol. 47, 48, 49, and 50. (1986-1989).

Ted Rathbun and Jane E. Buikstra, eds., Human Identification: Case Studies in Forensic Anthropology. Co-editor and senior author of one chapter: "The Case of the Severed Skull: Individuation in Forensic Anthropology." Charles C. Thomas. (1984).

Douglas K. Charles, Stephen Leigh and Jane E. Buikstra, eds., The Archaic and Woodland Cemeteries of the Elizabeth site in the Lower Illinois Valley. Kampsville Archaeology Center, Research Series, Volume 7. (1988).

Jane E. Buikstra and George R. Milner. Fifty Years of Research at Dickson Mounds. Illinois State Museum. (1989).

Jane E. Buikstra, ed., A Life in Science: Papers in Honor of J. Lawrence Angel. Author of two chapters: "Introduction" (with L. M. Hoshower) and "A Case of Juvenile Rheumatoid Arthritis from Pre-Columbian Peru" (with A. Poznanski, M.C. Lozada, P. Goldstein, and L. Leuschner). Biological Anthropology Unit of the American Anthropological Association, by the Center for American Archaeology. (1990).

Jerome C. Rose, Susan Anton, Arthur Aufderheide, Jane E. Buikstra, L. Eisenberg, et al. Paleopathology Association Skeletal Database Committee Recommendations. Paleopathology Association, Detroit. (1991). Translated and published as Asociación de Paleopatología Recomendaciones del Comité para la Base de Datos de Restos Osteos. (1994) and "Recommandations du Comité 130es Squelettiques en Paléopathologie." In Lésions Ostéo-Archéologiques Recueil et Identification. (1994).

Advisory Committee for the Field Museum of Natural History's Center for Advanced Study, 1977-79.

American Anthropological Association, Committee on the Status of Women in Anthropology, 1978-81 (Chair 1980-81); Executive Board, 1980-83; Field Editor for Biological Anthropology, 1985-1987; Search Committee for Executive Director, 1986-87; President-Elect 1987-89; Search Committee for Editor of the American Anthropologist 1988-89; 2010-2011, Co-Chair 2011; President, 1989-91; Finance Committee, 1993-1997, Centennial Committee, 1999-2003; Resource Development, 2000-2004; ad hoc Committee on Procedures for Use of AAA UN NGO Status, 2012-13 .

American Association for the Advancement of Science, Nominations Committee, Member 1986-1989, Chair 1988-1989; Chair-elect and Chair 1994-1997.

American Association of Physical Anthropologists, Nominations Committee, 1977-78; Associate Editor of the Journal of the Association, 1978-81; 1991- ; Procedures Committee, 1979-80; Secretary-Treasurer, 1981-85; President, 1985-87.

American Academy of Forensic Sciences, Physical Anthropology Section, T. Dale Stewart Selection Committee, 2008-2011.

American Board of Forensic Anthropology, Executive Board 1998-2003; Ethics Committee, 1994-2012; Committee to Review Application Standards, 1999-2000.

Archeological Conservancy; Board of Directors 1986-1991.

American Institute of Archaeology; Pomerance Science Medal Committee: 2005-2011; 2012-15; Holton Book Award Committee (2009-2012);

Bioanthropology Foundation, Peru, Board Member 1997-2005.

Biomedical Sciences and Methods in Archaeology, 3rd Annual Conference, Member of Scientific Committee, 2013g

VI Congress on Mummies, Member, Scientific Committee (2006-2007)

European Paleopathology Association, Member, Scientific Committee (2008; 2010; 2012)

Evolutionary Anthropology, Editorial Board, 1992-1995.

External Review Committees, Departments of Anthropology (unless otherwise noted): University of, 1981, 1990, 1993; SUNY-Buffalo, 1985; University of California, Berkeley, 1986,1998; Smithsonian Institution Museum of Natural History, 1987; University of Michigan, Museum and Department of Anthropology, 1989; University of New Mexico, 1989; Visiting Committee, Harvard College Department of Anthropology, 1989-1992; University of Arizona, 1990, 1997; Notre Dame, 1990; University of Missouri, 1991; University of Pittsburgh, 1992; Center for Materials Research in Archaeology and Ethnology, Massachusetts Institute of Technology, 1993; Texas A&M, 1993; 2004; University of Maryland, 1994; Dartmouth University,1994; University of Oregon, 1994; Northwestern University,1996; University of California, Los Angeles, 1998; University of Illinois at Chicago, 1998; University of California, Santa Cruz, 2000; University of Iowa, 2001; University of California, San Diego, 2003; University of Toronto, 2006; Smithsonian Institution, Department of Anthropology, 2007; Cotsen Institute, UCLA, 2007; National Museum of Natural History, Program Reviews, 2010.

External Reviewer for Thesis Defense: Cristina Rihuete, Autonomous University of Barcelona (2000); Stephan Naji, School of Higher Studies in Social Science (EHESS), Paris (2010); Ian Magee, University of Cork (2012), Marta Diaz, Durham University (UK) (2012).

Ford Foundation Pre-doctoral and Post-doctoral Minority Fellowship Selection Committee, Member of Social Sciences B Committee: 2003, Chair of Anthropology Committee: 2004.

Foundation for Illinois Archeology/Center for American Archeology, Board of Directors, 1980-; Executive Committee, 1980- ; President, 1984- ; Acting Director, 1985-1998; 2004-present.

Harvard University ad hoc Reviews Committee, Department of Anthropology 1989, 1996.

HOMO, Member of the Scientific Editorial Board, 2004 – Present.

Human Biology Council, Nominations Committee, 1979-81, (Co-Chair, 1980-81); Executive Committee, 1984-88.

Illinois Archaeological Survey, Board of Directors, 1975-79; Chair of Quality Control Committee, 1975-76; President-elect, 1976-77; Chair of Membership Committee, 1976-77; President, 1977-78; Cultural Resources Management Committee, 1979-81; Chair of Nominations Committee, 1978-80.

Illinois Historic Sites Advisory Council, 1976-78.

Illinois State Museum: NAGPRA Review Committee, 1999.

Instituto de Democracia y Derechos Humanos de la Pontificia Universidad Católica del Perú (IDEHPUCP), Comié Asesor Externo, 2006 -- 2009.

Member of Scientific Committees: "The Evolution and Palaeoepidemiology of Tuberculosis", Szeged, Hungary, 1997; "Leprosy, Past and Present", Bradford, England, 1999; European Meeting of the Paleopathology Association, 2004, PAMinSA, Lima, Peru, 2011; Co-President, 2012 TB Evolution Meeting, Szeged, Hungary.

International Journal of Osteoarchaeology, Editorial Board, 1989-1993.

International Journal of Paleopathology, Inaugural Editor, 2010 - 2015

Journal of Anthropological Archaeology, Editorial Board, 1981-1993.

Journal of Anthropological Research, Editorial Board, Member 2000-2005.

Journal of Forensic Sciences, Editorial Board, Member, 1989-present.

National Academy of Sciences, Class V Membership Committee (1989, 1997, 2000, 2001, 2004); Council Nominations Committee (1992); NRC Liaison 2000-2010; Member, Nominating Committee for the 2002 NAS Award for Scientific Reviewing (2001); NAS Committee on Gender Differences in Careers of Faculty in Science, Mathematics, and Engineering (2004 – 2008); Nominating Committee (2004 – 2005).

National Research Council - Member, Committee on Women in Science 1995-1998.

National Science Foundation, Graduate Fellowship Committee, 1976 1978, (Chair, 1978, 1979); Research Grant Review Committee, 1981-83; External Review of Anthropology Program, 1985, 1989.

Paleopathology Association, Member of Reorganization Committee, 1997-2000; President, 2003-2005; Past President 2005-2007.

Reviews in Anthropology, Advisory Board, 1979-86.

Revista Chungara, Member of the Editorial Board (Comité Asesor Editorial de Chungara), 2003- Present.

Smithsonian Institution, Search Committee for Director of Natural History Museum 1987-88.

Smithsonian Institution, National Museum of Natural History. Chair, Human Sciences Review Committee, 1998-1999. Member, Integrated Review Committee, 1998-2000; Repatriation Review Committee, 2005- ; Scientific Advisory Committee, 2009- ; Program Review Committee 2010

Society for American Archaeology Interim Committee on Professional Standards, 1976; Search Committee for Executive Director, 1992. Member, Lifetime Achievement Award Committee, 2003-2007; Member, Program Committee, 2008-2009.

Society of Professional Archaeologists, Board of Directors and Chair of By-Laws Committee, 1976; Alternate Counselor, Standards Board, 1979; Action Committee, 1980.

Wenner-Gren Foundation for Anthropological Research, Inc: Individual Research Grant Review Panel, 2004-2006.

Wiener Laboratory of the American School of Classical Studies, Athens, Ad hoc Advisory Committee, 1998;
Member of Wiener Laboratory Committee of Managing Committee, 1998-2006; Chair 2005-2006.

Wellcome Trust (UK) Member of the Bioarchaeological Panel, 2000-2005.

World Archaeological Congress' Research Handbooks in Archaeology, Editorial Bd Member, 2008-2013

Yearbook of Mummy Studies, Board of Directors 2009+

CONSULTATION:

Forensic anthropology: Indiana State Police; Cook County (Illinois) Sheriff's Police; Cook County Police; Lake County, Illinois; Kane County, Illinois, St. Louis County Medical Examiner; McHenry County, Illinois; Floyd County, Kentucky; Office of the Medical Investigator, New Mexico

Bio-archaeology: Film "Where Man Lies Buried," produced and directed by Margaret Farlie and Kenneth A.R. Kennedy; Film "The Moundbuilders," Odyssey, Public Television

Discovery Channel. Film "The Mummies of the South-Central Andes."

Discovery Channel. Film "Copan, Honduras: The Physical Cost of Being King."

CERTIFICATIONS AND REGISTRATIONS:

Society of Professional Archaeologists: Field Research, Collections Research, Education (1977-1998)

American Board of Forensic Anthropology: Forensic Anthropologist (1979-present)

Instituto de Cultura (Peru):DB-8826 (1990-present)

Illinois Historical Preservation Agency: Certified Human Osteologist (1994-present)

Register of Professional Archaeologists (1998- present)

PRIMARY RESEARCH GOALS:

Intensive study of prehistoric skeletal populations from the Americas emphasizing micro-evolutionary change and biological response to environmental stress; approach is multi-disciplinary, including programs in archaeology and the medical sciences. Bone microstructure; individuation; experimental cremation; social dimensions of mortuary behavior; demography; forensic anthropology; paleopathology; paleonutrition; biological distance; biological impact of European colonization in the Americas.
